

Notices

Presidents Cup 2025 semi-finals in the main draw and the flights for the men will be played this Sunday – good luck to all players.

54-hole Strokeplay 2025 is our next main competition that will start on 23rd March. This is a stroke-play competition played over 3 consecutive weeks. Please put your name on the board in the appropriate handicap division to indicate you will play.

Notice from the board

An incident was reported to us last weekend from a member of the Titahi Bay Community where their personal property was damaged by an errant golf ball. Fortunately, there was no injury to any person reported.

We are taking steps to address the situation but to help ensure safety of all surrounding areas of our course, we ask all players to ensure that balls are not hit from anywhere on the course, clubhouse or carpark areas where it is purposely directed outside of the course boundary – this includes from the first tee. The practise nets should be used at all times for this purpose.

If you see anyone who is not complying with this – we ask that you report it to the office or any member of the board immediately so we can address it.
